Tickets Available Now For the Annual 31-31 Gun Raffle – May 2019

It's that time of year again ... the much anticipated NC FOP Lodge #10 **31-31 Raffle** (31 guns in 31 days).

As many of you are aware, this effort helps to ensure that our lodge will be able to assist in funding our many worthwhile programs, such as “Shop with a Cop”, where under-privileged children are provided with school supplies and clothing,

and for supporting Cooking for Christ in their efforts to feed needy families with holiday meals. In addition, these funds are also used for the upkeep of the lodge facilities and range maintenance.

YOUR HELP IS GREATLY NEEDED!

Tickets are being sold now, and the drawings will be held each day during the month of May, and will be based on the nightly NC Educational Lottery Pick 3 evening drawings. If the number on any of your raffle tickets matches the nightly Pick 3 Number, you win your choice of either the designated daily firearm or the designated cash prize.

The members of the Executive Board are asking each lodge member to participate with this raffle, by selling and purchasing raffle tickets. Tickets cost \$20.00 each. With each ticket, the holder has 31 chances to win.

Your assistance is really needed for this fundraiser to be successful. Contact any Executive Board member, or come to the lodge during any regularly scheduled meeting (1st and 3rd Tuesday evenings, 1st and 3rd Thursday lunches) for tickets.

Schedule Change For The Thursday “Lunches At The Lodge”

Due to the decline in attendance, the executive board has decided to scale back on the weekly Thursday lunches. The new schedule will be effective immediately.

The lunches will be held on the Thursdays following the general meetings, typically the first Tuesday of each month, and on Thursdays following the active membership meeting, typically the third Tuesday of each month. The times will remain the same, from 11:30am to 1:00pm.

All active, on duty personnel are invited to eat free of charge. All others are asked for a free will donation to help defray the costs of the food.

We are hoping an increase in attendance will allow us to reinstate the weekly schedule.

Thank you for understanding our decision in this matter.

Lodge Assists Iredell County Hospice & Palliative Care

On Tuesday March 5th, during our monthly general meeting, the Iredell County FOP Lodge 10 will be presenting a check in the amount of \$2500.00 to [Hospice of Iredell County](#), in recognition of their efforts in adding and assisting patients and families, who are experiencing end of life situations.

The presentation will be made to Mindy Rice, of Hospice who will comment on their efforts and offer advice as to how you may reach out to them when the time presents itself that you or anyone in your family needs assistance.

The time of the presentation was selected, so that as many members as possible could avail themselves of this valuable information. Please come and join us for a great meal and fellowship.
